

## MEDICAL GRADE TOENAIL CLIPPER

### SPECIFICATION

- **Material:** Stainless Steel
- **Size:** 9.5 x 4.5cm
- **CONTAINS:** lifter, grinding blade, clipper, nail cleaner, ingrown nail tool

### FEATURES

**SAFETY:** Installed with precision grinding blade to provide clean and uniform cutting by using the curved Toenail Clippers jaws. The blade does not break, it cuts long and thick toenails accurately.

**UPGRADED CLIPPER/NIPPER:** Double spring with a nail lifter to lift ingrown part away from the skin. The lifter is served also as an amazing nail cleaner.

**ERGONOMIC HANDLE:** It comes with non-slip material to avoid slipping.

**COMFORTABLE:** The curved design fits the palm of your hand. It reduces sweating and aches due to long gripping.

**SUPER SHARP BLADE:** Sharp enough to cut the copper wire.
